

SPANISH NUCLEAR SOCIETY

- ✓ Founded in 1974 (being a founding member of ENS)
- ✓ About 1000 individual members:
 - Students
 - Young Professionals
 - Professionals
 - Seniors (retired)
- ✓ More than 60 corporate members

Mission:

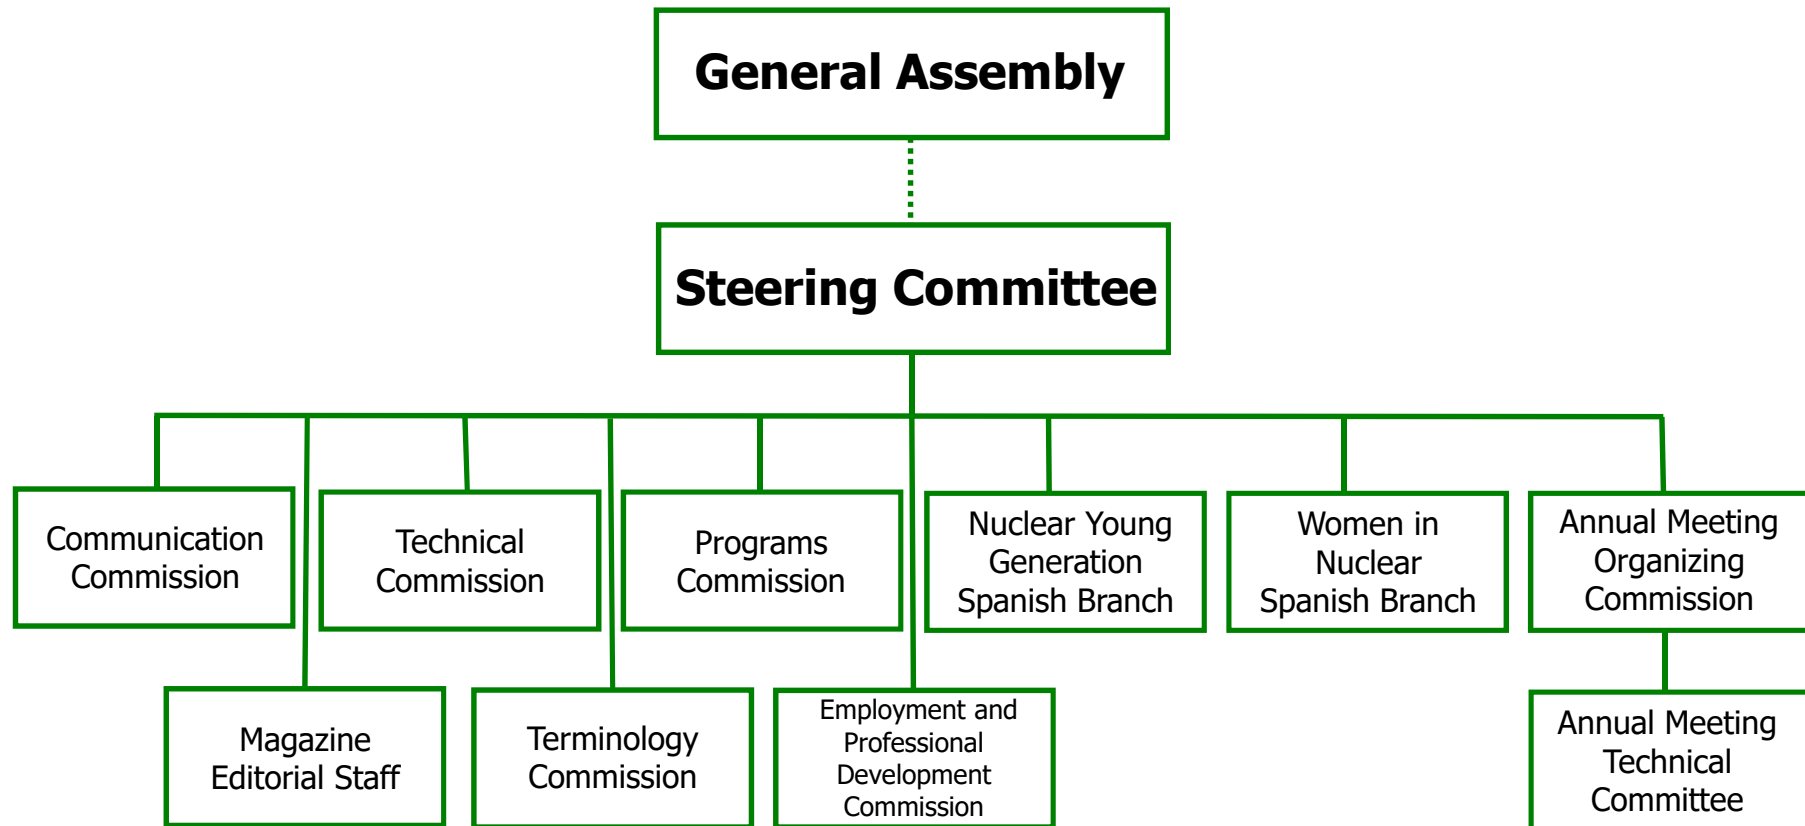

- ✓ Promotion of nuclear science and technology

Vision:

- ✓ To become a **reference on nuclear science and technology** (knowledge).
- ✓ To serve as a “**meeting point**” for Spanish nuclear professionals.

Values:

- ✓ Frame for technical exchanges and transfer of knowledge.
- ✓ Support for nuclear technology education and training.
- ✓ Driver for teamwork based on “ad-hoc” working groups and task forces.
- ✓ Mix of experience and youth
- ✓ Objective assessments and accurate information on nuclear matters
- ✓ Collaborative attitude with other organizations and institutions (natl. & intl.)
- ✓ Firm commitment to Spanish society.

Communication Commission
